CAREER OBJECTIVE

Seeking an internship opportunity as a **React.js / Frontend / Full Stack Developer** to apply my technical skills, gain industry experience, and contribute to building scalable and user-friendly web applications that make a meaningful impact.

PROFESSIONAL SUMMARY

Motivated B.Tech CSIT student at AKGEC Ghaziabad with hands-on experience in building **responsive, modern web applications** using **React.js, JavaScript, Tailwind CSS**, and **Django/Python**. Proven ability to design intuitive UI components, consume REST APIs, and collaborate effectively using Git/GitHub workflows. Completed a frontend internship at **Cognifyz Technologies** and contributed as a frontend developer in a live AgriTech project. Passionate about clean code, performance optimisation, and delivering pixel-perfect user experiences across devices.

TECHNICAL SKILLS

FRONTEND

React.js JavaScript (ES6+) HTML5 CSS3
Tailwind CSS

BACKEND

Django Python

DATABASE

SQL

TOOLS

Git GitHub VS Code Vercel

CONCEPTS

REST APIs Responsive Web Design OOP

WORK EXPERIENCE

Frontend Web Developer Intern

Duration: 1 Month | Remote

Cognifyz Technologies

- Developed responsive frontend UI components aligned with modern design standards.
- Improved frontend layouts and user interface elements for better usability and visual consistency.
- Collaborated with the development team using GitHub-based workflows for version control and code reviews.
- Worked with modern frontend technologies including HTML5, CSS3, and JavaScript to deliver quality output.

PROJECTS

FarmVaani – AgriTech Web Application

Contributor · Frontend Developer

[Live Demo](#) [My GitHub](#)

React.js Tailwind CSS GitHub Vercel

- Contributed as a **Frontend Developer** in the FarmVaani AgriTech project (contributor, not repository owner).
- Built responsive UI components using **React.js** and **Tailwind CSS** for seamless desktop and mobile experience.
- Designed and implemented modern frontend layouts with a focus on clean UX and visual accessibility.

- Collaborated via **GitHub** for project contribution, branch management, and version control best practices.
- Deployed and tested the live application on **Vercel**, ensuring cross-device compatibility.

EDUCATION

Bachelor of Technology – Computer Science & Information Technology (CSIT)

Ajay Kumar Garg Engineering College (AKGEC), Ghaziabad

2nd Year Completed
2023 – 2027 (Expected)

SGPA: 7.91
